

Parrot T Legs...

move your information where you need to...

Every Parrot whiteboard, corkboard, feltboard, bulletinboard, combi board or deluxe planner ... is manufactured with an aluminium frame which has a specially designed groove.

This groove allows these boards to be fitted onto our Parrot T Legs.

Which means effortless communication.

Meetings are mobile .. so now you can move your information around.

These boards and more .. can all be fitted onto the T Legs.

Max recommended board size is 1500x1200mm.
