

Notify students, safely...

Easy install BeNoticed cases for indoor and weather-protected areas

Keep students up to date with important information

- pre-installed 3mm safety glass, featuring grooved finger slots for easy opening
- Glass doors can be spray and wiped, to avoid students touching non-cleanable felt inside
- Space between felt and the glass is 24mm
- Simple installation with reverse mounted aluminium battens
- Self fitting lock and key, with mounting kit supplied
