

LX9000 EDGE FRAME ARCHITECTURAL PORCELAIN WRITING SURFACE

The EDGE LX9000 Magnetic Glassboard provides a completely modern and sleek look to the office. With no holes in the glass and totally hidden fixtures the board is secured with reversible split batten system, allowing the board to be easily removed at any time.

Our low profile EDGE boards can be butt joined horizontally or vertically, side by side to create a vast communication wall.

LX9000 EDGE FRAME

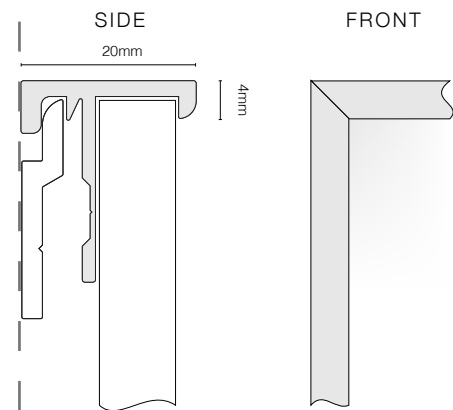

ARCHITECTURAL WRITING SURFACE

20mm frame with 4mm lip sits against the wall with invisible fixings making the board appear seamless and integrated into any space.

LX9000 Glassboard can be mixed and matched with any pinboard required also using the EDGE LX7000 minimalist frame to fully integrate with your office décor or provide acoustic benefits to your environment.
