Height Adjustable Mobile Desk

Discover the perfect blend of function and style with our Height Adjustable Mobile Desk. Designed for flexibility, it's ideal as a laptop desk or a simple workspace in the office, classroom or home.

- Adjustable height - Adjust anywhere between 760mm sitting to 1110mm standing position using the convenient side lever
- Adjustable desk angle - go from flat to a comfortable tilted angle or completely vertical for stackable storage using easy use lever
- 2 lockable wheels - move the desk around with ease
- Durable Build - strong enough to hold up to 8kg and built to last
- Space-saving - compact design while still offering ample workspace room
- Multi-Purpose - an all-in-one solution that can be used as a laptop desk, projector stand, lectern or a mobile workspace
- Easy Setup - simple to assemble instructions or watch our youtube video (go to web)

Code	Dimensions (mm)
